## **Mission Statement**

Headwaters Arts brings together visual artists and supporters to encourage the development, appreciation, and enjoyment of the arts in the Headwaters Region and beyond.

## **Our Approach and Programs**

We fulfill our mission by providing artists at all stages of their career with great exposure, sales, networking opportunities, and professional development. We create opportunities for the community-at-large to engage, enjoy, and learn from the arts. We do this by:

1. Providing regular exhibitions in the Headwaters Arts Gallery at the Alton Mill Arts Centre and the Millcroft Inn
2. Mounting special arts events (e.g. Fall Juried Art Show and Sale, Tapestry of Art and Music, Annual Artisan Gift & Fine Art Sale)
3. Running the Headwaters Arts Youth Scholarship Program

## **How Your Sponsorship Helps**

By sponsoring Headwaters Arts, you are directly enabling us to operate the Headwaters Arts Gallery, along with running the other arts programs. You are helping Headwaters Arts to promote and celebrate the arts throughout the Headwaters region, thereby creating a more vibrant, engaged, and healthy community.

## Headwaters Arts Gallery & Events

Headwaters Arts provides the opportunity for our members to present their work in a professional environment by offering seven shows per calendar year, open to all members, and up to three proposal shows by selected members. Headwaters Arts also benefits from up to 20,000 visitors annually.

## Tapestry of Art and Music

Our spring showcase event celebrates the powerful connection between visual art and music - how one discipline inspires and enriches another. Tapestry 2026 will take place outdoors in the beautiful Alton Mill Annex on Sunday, June 7. One hundred works of art will be presented alongside a live musical backdrop by Sonus Voices of Hamilton, Ontario. Artists are invited to explore a journey of self-expression, discovering their voice through the harmony of the arts.

## Student Scholarship

Headwaters Arts presents an annual scholarship to students pursuing a postsecondary education in the following categories: dance, literature, music, visual arts, film, and photography.
